The Eminent EM3193 World Championship Mouse England is a special designed mouse for the World Championship of 2010. The mouse is ideal for home use, office use and travel use.

Special design for England
This mouse is especially designed for England to support the English national soccer team during the World Championship. It is a limited edition, so get your mouse fast!

No drivers needed, just plug in and go!
You don't need drivers, this EM3193 works out of the box. Simply plug in the mouse into an available USB port and use it instantly!

With optical precision and power saving
Enjoy optical precision thanks to the 800 dpi sensor. The mouse works on almost every surface. The Eminent mouse is also equipped with a power saving function.

For use wherever you are
The EM3193 World Championship Mouse England is fitted with a retractable cable and has a scroll wheel. You can use it at home, in your office or when you are on the road.
